

Fawn Lake HOA - Mailbox Guidelines

The approved mailbox post is the “**Fancy Treated**” model by Chipmunk Creations. These can be purchased directly from them online at <http://chipmunkcreations.com/id76.html> .

They state that a few Home Depot locations can also special order these from Chipmunk Creations, but your mileage may vary depending on who you speak to at Home Depot.

PLEASE NOTE: This photo below is of the untreated post only. It must be painted in Pacer White, and the black mailbox shown here is not an approved option for Fawn Lake.

Correct style of post. “Fancy Treated”

The approved color for the mailbox post is:

SW 6098 Pacer White

Pacer White SW 6098

Numbers must be black, attached vertically to the post and in the following font:

01234
56789

Mailbox must be white, medium capacity, with red flag, approved by the Postmaster General, plastic or metal, and in the style shown below:
